ABOUT ME

I am a hard-working person, with a passion for organization and efficiency.

I have a significant expertise in the coffee industry, and I'm now on my path to a new career in Computer Science. I am always eager to learn, and I have been a high valued member in every team I took part in so far.

EDUCATION

MComp, Computer Science with Integrated Masters & Foundation Year — *University of Sussex, Brighton*
SEP 2022 – PRESENT (UNTIL 2027)

Excel Skills for Business Specialization — *Macquire University, Sydney (online)*
AUG 2020 – OCT 2020

Diploma (A level), Energy Systems Technician — *IPSIA G. Marchesini, Italy*
SEP 2007 – AUG 2012

RECENT WORK EXPERIENCE

Production Assistant/Roaster — *Trading Post Coffee Roasters, Brighton*
OCT 2021 – DEC 2023
- Worked mostly independently, organizing my daily and weekly tasks.
- Responsible for various aspects of the production across multiple sites.
- Supported company's and client's shops with equipment maintenance, technical support, and training.

Barista — *WatchHouse, London*
APR 2021 – DEC 2021
- Worked in a very busy environment, alongside some of the best people in the coffee industry.

Head Barista — *Sendero Specialty Coffee, London*
OCT 2019 – APR 2021
- Lead a small team in a fast-paced environment and took part in the hiring and training of new staff.
